NOTES

Cookery

Jenny will be back in February.

British Drama

We start the year with a play by Terence Rattigan, "Adventure Story", his dramatic study of Alexander the Great. Rattigan is not usually associated with historical dramas but he actually studied history at university and won prizes. This performance dates from 1961 and stars a young Sean Connery, just before he became a megastar in the James Bond role.

Local History

Cornwall has attracted a number of great artists over the years and at the end of the eighteenth century produced a local figure of real note – John Opie, "the Cornish wonder".

Monthly Meeting

Zoe Burkett will give a talk on the Penlee Museum in Penzance. Although probably most associated with paintings from the Newlyn School the museum also has collections of photographs, archaeology and natural history.

Margaret's Meander

If you want a bit of exercise after the Christmas excesses join Margaret for a bracing walk in Heligan Gardens. Alternatively, if the weather is bad enjoy the facilities of the coffee shop.

Italian Conversation

Felice capodanno! If you want to know what this and other useful phrases mean come along to the Italian Conversation class and be tutored by a native Italian speaker.

Luncheon Club

Join Janet on the 25th at the New Inn, Veryan.

Card Games

The scheduled meetings begin again on the fourth Monday of the month.

Wood Turning (New)

Valerie is not happy. The wood turning class is all ready to go but no-one has been in touch with Val about their preference for the time and venue. The current options are for Probus in the morning on a Monday or a Tuesday or possibly a Thursday. Equipment will be provided. The wood turners advise that the first meeting should take the form of a demo by them and a try-out by us. *Can those who are interested in this course please e-mail or phone Val Willcox (01726 884176) with their preferred venue and time.*

French Class (New)

Some members would like to start a French class but we have hitherto been handicapped by an inability to find someone willing to lead the group. One proposal is to have a class using DVDs and films rather than asking a tutor to construct a course. If you would be interested in joining such a group please let me know. Once we have an idea of the likely demand we can determine the venue, timing and frequency.

Art/Water-colouring (New)

This group is starting up this month. A professional art teacher will make a one-off visit and give an hour's lesson in Jenny Deal's house. The cost will be shared and is likely to be £8 to £10 per person. Let Jenny know if you are likely to attend so she can ensure the venue is large enough. Subsequent meetings are likely to be run by ourselves and will be free.
